

# How it works

1

Search inside the participating business or in their window display to find each store's personalized, named Santa figurine. While each Santa looks different, they're all recognizable by their branded name tag.

---

2

When a Santa is discovered, write the unique name on the inside of this card.

---

3

After finding and recording the name of each hidden Santa, drop your Quest Card off at the Downtown Visitor Information Center  
*(1 Old Town Square, Suite 107)*  
Santas Quest mailbox for a chance to win!
